Marks & Spencer Homecare Products
Ingredients and Safety Data Sheet

Tulip Liquid Food

UPC: none

Marks & Spencer PLC
Waterside House
35 North Warf Road
London
W2 1NW

In an emergency please call 01342 870900

2. Composition / Information On Ingredients

None

3. Hazard Identification

Human	May cause sensitization by skin contact.
Safety	No risks exist.
Ecological	No adverse environmental effects under normal condition and use.

4. First Aid Measures

Inhalation	Remove to fresh air.
Skin Contact	Remove any contaminated clothing. Wash thoroughly with soap and water. Get medical attention if irritation develops or persists.
Eye Contact	Flush eyes immediately with plenty of water for at least 5 minutes, lifting upper and lower eyelids occasionally. Call a physician if irritation persists.
Ingestion	Rinse the mouth with water thoroughly. Give several glasses of water or milk to drink to dilute. If large amount is swallowed, get medical advice at once.

5. Fire Fighting Measures

Suitable extinguishing media:

Water spray, dry chemical or carbon dioxide.

Fire and explosion:
No risks exist.
Protective equipment for the fire brigade:
Wear a self-contained breathing apparatus and full protective gear.
Carbon dioxide and carbon oxide will be formed when burned.

6. Accidental Release Measures

Personal protection for the fire brigade:
Wear appropriate personal protective equipment as specified in section 8.

Measures to protect the environment:
Don't let the leakage reach sewage or surface water.
Spills/Leaks:
Absorb leakage with sand, vermiculite or other inert material, and then place it in a suitable container. Thereafter, flush the area with water. The collected waste is hazardous waste.

7. Handling & Storage

Handling	Protect the container from physical damage. Keep away from children. Keep away from food and drink. Avoid contact with skin or eyes. Wash hands well after use.
Storage	Store the product in closed packages in a cool and dry place.

8. Exposure Controls & Personal Protection

General Information	None
Hand Protection	Wear protective gloves made in 4H, nitrile rubber or butyl rubber.
Skin Protection	Wear protective gloves made in 4H, nitrile rubber or butyl rubber.
Eye Protection	Wear tightly fitting safety goggles, to prevent liquid splashes from getting into eyes.
Respiratory	None
Occupational Exposure Limits	No OEL established for these substances.

9. Physical & Chemical Properties

Appearance:	Liquid
Colour:	Clear, light yellow
Odour:	Odourless
pH:	4,5 in 35% aquatic solution
Solubility in water:	Miscible in water

10. Stability & Reactivity

Stability:
Stabile under normal conditions of use and storage.

Materials to avoid:
Not known.

Hazardous decomposition:
Carbon monoxide and carbon dioxide products may be formed when heated to decomposition.

11. Toxicological Information

LD50 oral rat: >2000 mg/kg (calculated)
LD50 dermal rat: >2000 mg/kg (calculated)
Inhalation: No adverse effects via inhalation are known.
Skin contact: May cause sensitization by skin contact.
Eye contact: No irritation in the eyes is expected.
Ingestion: Expected to be a non-toxic product if swallowed. No toxicological symptoms are known.

12. Ecological Information

The product is not classified as harmful to aquatic organisms. No long-term adverse effects in the aquatic environment are expected from the product.

13. Disposal

Spill, leakage and uncleaned containers should be incinerated in an approved incineration plant for hazardous waste.
Empty, cleaned containers should be taken for local waste disposal.
Proposed EWC-code: 020108.

14. Transport Information

Not regulated as dangerous goods.

15. Regulatory Information

Risk phrases:
R43; May cause sensitization by skin contact.

S-phrases:
S2; Keep out of the reach of children and animals.
S24; Avoid contact with skin
S37; Wear suitable gloves.

16. Other Information

None
