Hand Protection	None required during normal use. Avoid prolonged or repeated contact.
Skin Protection	None required during normal use. Avoid prolonged or repeated contact.
Eye Protection	None required during normal use.
Respiratory	None required during normal use.
Occupational Exposure Limits	None assigned for this product.

9. Physical & Chemical Properties

ph	2.0-3.0
Odour	A perfumed Liquid

10. Stability & Reactivity

Conditions to avoid: Extreme temperatures.

11. Toxicological Information

EYE: May cause irritation if product comes into contact with eye.

SKIN: Frequent or prolonged contact may lead to irritation.

INGESTION: Low toxicity. May cause local irritation of the mouth and upper digestive tract.

Ingestion of significant quantities (>50ml) is likely to lead to nausea and vomiting.

INHALATION: Low risk. Vapour concentrations may be irritating to the respiratory tract.

12. Ecological Information

The surfactants contained in this product comply with the biodegradability criteria as laid down in regulation (EC) No 648/2004 on detergents. Data to support this assertion are held at the disposal of the competent authorities of the member state. The other components of this product are either inert or are absorbed onto sewage and sediments etc., or will biodegrade to substances which are likely to be of low environmental impact when the product is used as directed.

Product packaging may be recycled where facilities are available.

13. Disposal

Contents:

Under conditions of expected use the product will be disposed of at the end of its life into the normal domestic refuse system.

No adverse effects are expected.

Large quantities should be disposed of in accordance with local regulations.

Empty Containers:

Dispose of in accordance with local regulations.

Product packaging may be recycled where facilities are available.

14. Transport Information

Not registered as hazardous for transportation purposes.

15. Regulatory Information

Under the Chemical Hazard, Information and Packaging Regulations (CHIP3.2) 2008 this product is not classified as dangerous to human health or the aquatic environment.

The fragrance in this product contains materials that must be declared on the product label under the requirements of Regulations 648/2004/EC on Detergents. These are as follows: Limonene

16. Other Information

For Information :

R34 Causes burns.

R35 Causes severe burns.

R38 Irritating to skin.

R36 Irritating to eyes.

R50 Very toxic to aquatic organisms.

A.I.S.E Recommended Phrases:

Keep away from children

Keep away from eyes. If product gets into eyes rinse thoroughly with water

Rinse and dry hands after use

People with sensitive or damaged skin should avoid prolonged contact with the product
