3. Hazard Identification

- **Human Safety**: Prolonged or repeated exposure to the skin may lead to irritation.

  If product comes into contact with eyes may cause moderate to mild irritation.

  If ingested, the product may cause irritation to the mouth and upper digestive tract. If significant
quantities (>50ml) are ingested, then nausea and vomiting may occur.

Under the Chemical Hazard, Information and Packaging Regulations (CHIP4.0) 2009 this product is classified as irritating to eyes (Xi R36)

**Ecological** None

### 4. First Aid Measures

**Eye Contact** Immediately wash the eye with plenty of water for at least 10 minutes, holding the eye open.

**Skin Contact** Wash skin thoroughly with soap and water.

**Ingestion** Wash out mouth with water. Do not induce vomiting. Obtain medical advice.

**Inhalation** Product is a liquid; as such inhalation is not a likely route of exposure.

### 5. Fire Fighting Measures

SUITABLE EXTINGUISHERS: Dry powder, foam, carbon dioxide and water mist.

EXTINGUISHERS NOT TO BE USED: DO NOT USE DIRECT WATER SPRAY.

SPECIAL EQUIPMENT: In case of fire of large quantities of product, self contained breathing apparatus should be worn.

HAZARDOUS COMBUSTION PRODUCT: Fumes containing carbon dioxide, carbon monoxide and sulphur dioxide may be found in large fires.

EXPOSURE HAZARDS: Carbon dioxide, carbon monoxide and sulphur dioxide.

### 6. Accidental Release Measures

PERSONAL PRECAUTIONS: Avoid contact with eyes. Avoid repeated or prolonged contact with skin. Keep out of the reach of children.

ENVIRONMENTAL PRECAUTIONS: Avoid discharge of large volumes into water courses.
METHODS FOR CLEANING UP: Contain the spilled liquid with sand or an inert absorbent material. Transfer used material to a suitable waste container and dispose of in accordance with local regulations.

7. Handling & Storage

**Handling** Maintain good occupational and personal hygiene. Avoid contact with eyes and skin, especially if inflamed or damaged. Wash skin thoroughly if contact occurs.

**Storage** Store in original container in a cool place. Keep out of the reach of children. Use only as directed.

8. Exposure Controls & Personal Protection

None

9. Physical & Chemical Properties

- **ph** 8.2-8.6
- **odour** A Perfumed Liquid
- **Viscosity** 6000 - 10000 cps

10. Stability & Reactivity

Conditions to avoid: Extreme temperatures.

11. Toxicological Information

EYE: May cause mild irritation if product comes into contact with eye.
SKIN: Frequent or prolonged contact may lead to irritation and defatting of the skin.
INGESTION: Low toxicity. May cause local irritation of the mouth and upper digestive tract. Ingestion of significant quantities (>50ml) is likely to lead to nausea and vomiting.
INHALATION: Product is a liquid and thus inhalation is not a likely route of exposure.

12. Ecological Information

The surfactants contained in this product comply with the biodegradability
criteria as laid down in regulation (EC) No 648/2004 on detergents. Data to support this assertion are held at the disposal of the competent authorities of the member state. The other components of this product are either inert or are absorbed onto sewage and sediments etc., or will biodegrade to substances which are likely to be of low environmental impact when the product is used as directed.

The product contains phosphate. It should be noted that the release of phosphate into the environment has been implicated in the aetiology of eutrophication, particularly in slow moving or static water systems.

Product packaging may be recycled where facilities are available.

13. Disposal

Contents:
Under conditions of expected use the product will be disposed of at the end of its life into the normal domestic refuge system.
No adverse effects are expected.
Large quantities should be disposed of in accordance with local regulations.

Empty Containers:
Dispose of in accordance with local regulations.
Product packaging may be recycled where facilities are available.

14. Transport Information

Not registered as hazardous for transportation purposes.

15. Regulatory Information

Under the Chemical Hazard, Information and Packaging Regulations (CHIP4.0) 2009
this product is classified as irritating to skin (Xi R36)

St Andrew's Cross followed by the word 'Irritant'

R36 Irritating to eyes
S2 Keep out of reach of children
Avoid contact with eyes
In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
S46 If swallowed seek medical advice immediately and show this container or label.
This product does not require any additional ingredient declaration under Regulation EC 648/2004/EC on Detergents

16. Other Information

For Information:
R11 Highly Flammable
R22 Harmful if swallowed
R36 Irritating to eyes
R38 Irritating to skin
R41 Risk of serious damage to eyes
R50 Very toxic to aquatic organisms
R52 Harmful to aquatic organisms

A.I.S.E Recommended Phrases:

Keep away from children

Keep away from eyes. If product gets into eyes rinse thoroughly with water

Rinse and dry hands after use

People with sensitive or damaged skin should avoid prolonged contact with the product

Do not ingest. If product is ingested then seek medical advice
