**General Information** ENVIRONMENTAL EXPOSURE CONTROLS: Not required in normal use.

**Hand Protection** None required during normal use. Avoid prolonged or repeated contact.

**Skin Protection** None required during normal use. Avoid prolonged or repeated contact.

**Eye Protection** None required during normal use.

**Respiratory** None required during normal use.

**Occupational Exposure Limits** None assigned for this product.

## 9. Physical & Chemical Properties

**appearance** opaque, white viscous liquid

**viscosity** 80-160 cps

**molecular weight** 840

**pH** 2.0 - 5.0

## 10. Stability & Reactivity

Conditions to avoid: Extreme temperatures.

## 11. Toxicological Information

EYE: Will cause irritation if product comes into contact with eye.

SKIN: Frequent or prolonged contact may lead to irritation if product not washed off.

INGESTION: May cause local irritation of the mouth and upper digestive tract.

INHALATION: Low risk. Vapour concentrations may be irritating to the respiratory tract.

## 12. Ecological Information

The surfactants contained in this product comply with the biodegradability criteria as laid down in regulation (EC) No 648/2004 on detergents. Data to support this assertion are held at the disposal of the competent authorities of the member state. The other components of this product are either inert or are absorbed onto sewage and sediments etc., or will biodegrade to substances which are likely to be of low environmental impact when the product is used as directed.

Product packaging may be recycled where facilities are available.

### **13. Disposal**

Contents:

Under conditions of expected use the product will be disposed of at the end of its life into the normal domestic refuse system. No adverse effects are expected. Large quantities should be disposed of in accordance with local regulations.

Empty Containers:

Dispose of in accordance with local regulations. Product packaging may be recycled where facilities are available.

### **14. Transport Information**

Not registered as hazardous for transportation purposes.

### **15. Regulatory Information**

Under the Chemical Hazard, Information and Packaging Regulations (CHIP3) 2002 this product is not classified as dangerous to human health or to the aquatic environment

The fragrance in this product contains materials that must be declared on the product label under the requirements of Regulations 648/2004/EC on Detergents. These are as follows:

Citral

Limonene

### **16. Other Information**

For Information:

R52 Harmful to aquatic organisms

We recommend that the following phrases be included on pack:

Keep away from children

Keep away from eyes.

If product gets into eyes rinse thoroughly with water.

Rinse and dry hands after use.

People with sensitive or damaged skin should avoid prolonged contact with the product.
