In an emergency please call 01342 870900

2. Composition / Information On Ingredients

Ingredient	INCI Name	Weight	Hazard	Risk No
Ethanol	Alcohol denat.	> 50%	Highly flammable	R11

3. Hazard Identification

Human If ingested may cause some irritation to the mouth and upper digestive tract.
May irritate the eye.
May cause slight skin irritation.
Prolonged inhalation of high concentrations of the spray and derived vapours may induce drowsiness, headache, loss of coordination and narcosis. In severe over exposure this may lead to coma and death.
Inhalation of the spray may also cause slight irritation of the nose and upper respiratory tract.

Safety Highly Flammable

Ecological Readily biodegradable so unlikely to accumulate in the aquatic environment.
Not classified as dangerous to the environment.

4. First Aid Measures

Ingestion Wash out the mouth with water

Skin Contact Wash the skin with soap and water

Eye Contact Wash out the eye thoroughly with plenty of clean water

Inhalation Remove from exposure
Keep warm and at rest

5. Fire Fighting Measures

Fumes containing carbon dioxide and carbon monoxide may be formed in large fires.

In case of fire use powder, foam, sand, water spray.
Avoid using large quantities of water.

In case of fire, self-contained breathing apparatus must be worn.

6. Accidental Release Measures

Contain and collect spillage.

Absorb onto sand/kieselguhr or other inert material.

Failure to contain a release must be notified to both the local authority and Swallowfield plc.

Wear impervious gloves/overalls, eye protection and a vapour absorbing face mask while clearing up the spillage.

Do not wash into drains.

Place in plastic barrels for disposal.

Do not mix with other waste materials.

Dispose of in accordance with state and local authority regulations.

Seek advice from the local waste authority.

7. Handling & Storage

Storage Store the aerosol cans at between 0 and 50°C out of direct sunlight.
Do not store close to strong oxidising agents which could aggravate any fire situation.
Use in a well ventilated area.
Do not store product in direct sunlight.

8. Exposure Controls & Personal Protection

General Information Avoid contact with eyes, skin or clothes, do not inhale spray.

Hand Protection Impervious gloves recommended

Skin Protection Protective overalls and shoes/boots recommended

Eye Protection Chemical safety goggles recommended

Respiratory Adequate particulate absorbing face mask,

respiratory protection recommended

Occupational Exposure Limits Alcohol denatured 8hr TWA 1920mg/m³ EH40/99

9. Physical & Chemical Properties

Appearance Clear, almost colourless liquid in clear bottle with pump.

Odour Perfumed, characteristic.

10. Stability & Reactivity

May react with strong oxidants
Decomposition can occur above 100°C after loss of any volatile components

11. Toxicological Information

Not classified as "harmful if swallowed"
May cause minimal effects if ingested.
Prolonged contact may cause slight skin irritation.
May cause eye irritation.
Inhalation of the spray may cause slight irritation of the nose and upper respiratory tract.

12. Ecological Information

This product is readily biodegradable.
Do not release into surface waters.

13. Disposal

When disposing of waste or surplus material avoid contact with eyes and skin.
Wear impervious gloves/overalls and chemical safety goggles.
Do not wash into drains.
Do not mix with other waste materials.
Seek advice from the local waste authority.

14. Transport Information

This product is classified as dangerous for transport and should be labelled

UN1170, class 3.

15. Regulatory Information

This preparation has been assessed using the health, safety, and environmental criteria laid down in the EC directives on Control of Dangerous Substances and Preparations. It is found to be classified as "Dangerous" according to the safety criteria and should be labelled:

F+ Highly Flammable

USE ONLY AS DIRECTED
KEEP AWAY FROM CHILDREN
WASH HANDS AFTER USE

R11 Highly flammable
S2 Keep out of the reach of children
S43 In case fire, use dry chemical, foam or fine water spray
S16 Keep away from sources of ignition – no smoking

Solvent abuse can kill instantly warning
Do not spray on naked flames or incandescent material.
Do no spray into eyes or onto the skin and avoid inhalation of the vapour or spray.

16. Other Information

This ingredient data takes into account the enactment of EC Directive 67/548 and its amendments and adaptations and also EC Directive 648/2004. Information is supplied by as a result of independent assessment.
