Ingredients and Safety Data Sheet

Lavender Room Mist

UPC: 0587488
Series Number: 4767
Marks & Spencer PLC
Waterside House
35 North Warf Road
London
W2 1NW

In an emergency please call 01342 870900

2. Composition / Information On Ingredients

Ingredient	INCI Name	Weight	Hazard	Risk No
Ethanol	Alcohol Denat.	>30%	Highly Flammable	R11
Butane / Propane	Butane and Propane	>30%	Extremely Flammable	R12

3. Hazard Identification

Human If ingested may cause some irritation to the mouth and upper digestive tract.
May cause slight eye irritation.
Spray directly into the eye may cause freeze damage
Unlikely to irritate the skin
Unlikely to cause damage to internal organs following skin contact.
Direct spraying onto skin may cause freeze damage
Inhalation of high concentrations of VOC/LPG can cause cardiac arrest and potential death. Direct spray away from face.
Prolonged inhalation of high concentrations of the aerosol and derived vapours may induce drowsiness, headache, loss of coordination and narcosis. In severe over exposure this may lead to coma and death. Inhalation of the aerosol may also cause slight irritation of the nose and upper respiratory tract.

Safety Extremely flammable
R12

Ecological Readily biodegradable so unlikely to accumulate in the aquatic environment.
Not classified as dangerous to the environment.

4. First Aid Measures

Inhalation In cases of inhalation, remove from exposure. Keep warm and at rest.

Ingestion Wash out the mouth with water

Eye Contact Wash out the eye thoroughly with plenty of clean water

Skin Contact Wash the skin with soap and water

5. Fire Fighting Measures

Fumes containing carbon dioxide, carbon monoxide and oxides of nitrogen may be formed in large fires.

In case of fire use powder, foam, sand, water spray.

Avoid using large quantities of water.

In case of fire, cool the storage tank with water spray.

In case of fire, self-contained breathing apparatus must be worn.

6. Accidental Release Measures

Contain and collect spillage.

Absorb onto sand/kieselguhr or other inert material.

Failure to contain a release must be notified to both the local authority and Swallowfield plc.

Wear impervious gloves/overalls, eye protection and a vapour absorbing face mask while clearing up the spillage.

Do not wash into drains.

Place in plastic barrels for disposal.

Do not mix with other waste materials.

Dispose of in accordance with state and local authority regulations.

Seek advice from the local waste authority.

Keep away from sources of ignition.

7. Handling & Storage

Storage Store the aerosol cans at between 5 and 50°C out of direct sunlight.
Do not store close to strong oxidising agents which

could aggravate any fire situation.
Do not store product in direct sunlight.
Do not store pressurized aerosol containers near to heat sources or sources of ignition. Store in well ventilated areas.

Handling Use in a well ventilated area.
Miscellaneous Room spray
General
Domestic air freshener aerosol

8. Exposure Controls & Personal Protection

General Information Avoid contact with eyes, skin or clothes, do not inhale spray.
Working procedures should be designed to minimise worker exposure to this product. Where this is not possible the following personal protective equipment should be provided. All personal protective equipment must comply with the appropriate EEC (CE) standards and should be maintained and stored to ensure continued suitability for use.

Hand Protection Impervious gloves recommended

Skin Protection Protective overalls and shoes/boots recommended

Eye Protection Chemical safety goggles recommended

Respiratory Adequate particulate absorbing face mask, respiratory protection recommended

Occupational Exposure Limits OELs

Alcohol denatured 8hr TWA 1920mg/m³ EH40/99

Butane/isobutane/propane 8hr TWA 600ppm
1450mg/m³

9. Physical & Chemical Properties

Appearance Aerosol spray
Odour Lavender perfume

10. Stability & Reactivity

May react with strong oxidants

Pressurized petroleum gas highly flammable. Will generate CO₂ and CO on ignition. Interaction with UV light will generate low level ozone.

11. Toxicological Information

LD₅₀ (oral rat) >2000mk/kg

Not classified as "Harmful if swallowed"

May cause minimal effects if ingested.

Prolonged contact may cause slight skin irritation.

May cause slight eye irritation.

Contains low concentrations of one or more allergens. People who are already sensitive to these materials may react adversely to this product.

12. Ecological Information

This product is readily biodegradable.

Do not release into surface waters.

13. Disposal

When disposing of waste or surplus material avoid contact with eyes and skin.

Wear impervious gloves/overalls and chemical safety goggles.

Do not wash into drains.

Do not mix with other waste materials.

Do not incinerate.

Do not puncture can.

Seek advice from the local waste authority.

14. Transport Information

This product is classified as dangerous for transport and should be labelled

Aerosols extremely flammable UN No1950 class 2.3 PGIII

15. Regulatory Information

This preparation has been assessed using the health, safety, and environmental criteria laid down in the EC directives on Control of Dangerous Substances and Preparations. It is found to be classified as "Dangerous" according to the safety criteria and should be labelled:

F+ Extremely Flammable

USE ONLY AS DIRECTED
KEEP AWAY FROM CHILDREN
WASH HANDS AFTER USE

R12 Extremely flammable
S2 Keep out of the reach of children
S43 In case fire, use dry chemical, foam or fine water spray
S16 Keep away from sources of ignition – no smoking

Solvent abuse can kill instantly warning
Pressurised container: protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn even after use.
Do not spray on naked flames or incandescent material.
Do not spray into eyes or onto the skin and avoid inhalation of the vapour or spray.
Use only as directed.

16. Other Information

This safety data Sheet takes into account the enactment of Council Directive 67/548 and its amendments and adaptations and also EC Directive 648/2004. Information is supplied by as a result of independent assessment.
