

# Marks & Spencer Homecare Products Ingredients and Safety Data Sheet

## Ocean Spa Room Mist

UPC: 0587495  
Series Number: 4767  
Marks & Spencer PLC  
Waterside House  
35 North Warf Road  
London  
W2 1NW

In an emergency please call 01342 870900

## 2. Composition / Information On Ingredients

Ingredient	INCI Name	Weight	Hazard	Risk No
Ethanol	Alcohol denat.	>30%	Highly flammable	R11
Butane / Propane	Butane and Propane	>30%	Extremely flammable	R12

## 3. Hazard Identification

**Human** If ingested may cause some irritation to the mouth and upper digestive tract.  
May cause slight eye irritation.  
Spray directly into the eye may cause freeze damage  
Unlikely to irritate the skin  
Unlikely to cause damage to internal organs following skin contact.  
Direct spraying onto skin may cause freeze damage  
Inhalation of high concentrations of VOC/LPG can cause cardiac arrest and potential death. Direct spray away from face.  
Prolonged inhalation of high concentrations of the aerosol and derived vapours may induce drowsiness, headache, loss of coordination and narcosis. In severe over exposure this may lead to coma and death. Inhalation of the aerosol may also cause slight irritation of the nose and upper respiratory tract.

- Safety** Extremely flammable
- Ecological** Readily biodegradable so unlikely to accumulate in the aquatic environment.  
Not classified as dangerous to the environment.

#### 4. First Aid Measures

Wash out the mouth with water  
Wash the skin with soap and water  
Wash out the eye thoroughly with plenty of clean water  
Remove from exposure  
Keep warm and at rest

#### 5. Fire Fighting Measures

Fumes containing carbon dioxide and carbon monoxide may be formed in large fires.

In case of fire use powder, foam, sand, water spray.

Avoid using large quantities of water.

In case of fire, cool the store aerosols with water spray.

In case of fire, self-contained breathing apparatus must be worn.

#### 6. Accidental Release Measures

Contain and collect spillage.

Extinguish any naked flames and remove any sources of ignition.

Absorb onto sand/kieselguhr or other inert material.

Failure to contain a release must be notified to both the local authority and Swallowfield plc.

Wear impervious gloves/overalls, eye protection and a vapour absorbing face mask while clearing up the spillage.

Do not wash into drains.

Place in plastic barrels for disposal.

Do not mix with other waste materials.

Dispose of in accordance with state and local authority regulations.

Seek advice from the local waste authority.

#### 7. Handling & Storage

- Handling and storage** Store the aerosol cans at between 5 and 40°C out of direct sunlight.  
Do not store close to strong oxidising agents which could aggravate any fire situation.

Use in a well ventilated area.  
Do not store product in direct sunlight.

### **Specific uses**

## **8. Exposure Controls & Personal Protection**

**General Information** Avoid contact with eyes, skin or clothes, do not inhale spray.  
Working procedures should be designed to minimise worker exposure to this product. Where this is not possible the following personal protective equipment should be provided. All personal protective equipment must comply with the appropriate EEC (CE) standards and should be maintained and stored to ensure continued suitability for use.

**Hand Protection** Impervious gloves recommended

**Skin Protection** Protective overalls and shoes/boots recommended

**Eye Protection** Safety goggles recommended

**Respiratory** Not required

**Occupational Exposure Limits** Alcohol denatured 8hr TWA 1920mg/m<sup>3</sup> EH40/99

Butane/isobutane/propane 8hr TWA 600ppm  
1450mg/m<sup>3</sup>

## **9. Physical & Chemical Properties**

**Appearance** Aerosol spray

**Odour** Fragranced, characteristic

## **10. Stability & Reactivity**

May react with strong oxidants

Decomposition can occur above 100°C after loss of any volatile components

## **11. Toxicological Information**

LD50 (oral rat) >2000mg/kg

Not classified as "harmful if swallowed"

May cause minimal effects if ingested.

Prolonged contact may cause slight skin irritation.

May cause eye irritation.

Inhalation of the aerosol spray may cause slight irritation of the nose and upper respiratory tract.

## **12. Ecological Information**

This product is readily biodegradable.

Do not release into surface waters.

## **13. Disposal**

When disposing of waste or surplus material avoid contact with eyes and skin.

Wear impervious gloves/overalls and chemical safety goggles.

Do not wash into drains.

Do not mix with other waste materials.

Seek advice from the local waste authority.

## **14. Transport Information**

This product is classified as dangerous for transport and should be labelled

Aerosols extremely flammable UN No1950 class 2.3 PGIII

## **15. Regulatory Information**

This preparation has been assessed using the health, safety, and environmental criteria laid down in the EC directives on Control of Dangerous Substances and Preparations. It is found to be classified as "Dangerous" according to the safety criteria and should be labelled:

F+ Extremely Flammable

USE ONLY AS DIRECTED

KEEP AWAY FROM CHILDREN

WASH HANDS AFTER USE

R10 Extremely flammable

S2 Keep out of the reach of children

S43 In case fire, use dry chemical, foam or fine water spray- do not use a water jet

S16 Keep away from sources of ignition – no smoking

Solvent abuse can kill instantly warning

Pressurised container: protect from sunlight and do not expose to

temperatures exceeding 50°C. Do not pierce or burn even after use.  
Do not spray on naked flames or incandescent material.  
Do not spray into eyes or onto the skin and avoid inhalation of the vapour or spray.

## **16. Other Information**

This ingredient data takes into account the enactment of EC Directive 67/548 and its amendments and adaptations and also EC Directive 648/2004. Information is supplied by as a result of independent assessment.
