**Hand protection:** None required during normal use. Avoid prolonged or repeated contact.

**Skin Protection:** None required during normal use. Avoid prolonged or repeated contact.

**Eye protection:** None required during normal use.

**Respiratory:** None required during normal use.

**Occupational Exposure Limits :** None assigned for this product.

## 9. Physical & Chemical Properties

**Appearance:** An opaque pink Liquid

**Odour:** A Perfumed Liquid

## 10. Stability & Reactivity

Conditions to avoid: Extreme temperatures.

## 11. Toxicological Information

**EYE:** May cause irritation if product comes into contact with eye.

**SKIN:** Frequent or prolonged contact may lead to irritation and defatting of the skin.

**INGESTION:** Low toxicity. May cause local irritation of the mouth and upper digestive tract. Ingestion of significant quantities (>50ml) is likely to lead to nausea and vomiting.

**INHALATION:** Low risk. Vapour concentrations may be irritating to the respiratory tract. Product is a liquid and thus inhalation is not a likely route of exposure.

## 12. Ecological Information

Reference - 786706

The surfactants contained in this product comply with the biodegradability criteria as laid down in regulation 9EC) No 648/2004 on detergents. Data to support this assertion are held at the disposal of the competent authorities of the member state. The other components of this product are either inert or are absorbed onto sewage and sediments etc., or will biodegrade to substances which are likely to be of low environmental impact when used as directed. The product contains phosphates. It should be noted that the release of phosphate into the environment has been implicated in the aetiology of eutrophication, particularly in slow moving or static water systems. Product packaging may be recycled where facilities are available.

## 13. Disposal

Contents: Under conditions of expected use the product will be disposed of at the end of its life into the normal domestic refuse system. No adverse effects are expected. Large quantities should be disposed of in accordance with local regulations.

Empty Containers: Dispose of in accordance with local regulations. Product packaging may be recycled where facilities are available.

## 14. Transport Information

Not registered as hazardous for transportation purposes.

## 15. Regulatory Information

Under the Chemical Hazard, Information and Packaging Regulations (CHIP4.0) 2009 this product is not classified as dangerous to human health or to the aquatic environment.

The fragrance in this product contains materials that must be declared on the product label under the requirements of Regulations 648/2004/EC on Detergents. These are as follows:

## 16. Other Information

### For Information:

<b>R22</b>	Harmful if swallowed.
<b>R38</b>	Irritating to skin.
<b>R41</b>	Risk of serious damage to eyes.
<b>R50</b>	Very toxic to aquatic organisms.

### A.I.S.E. Recommended Phrases :-

Keep away from children

Keep away from eyes. If product gets into eyes rinse thoroughly with water

Rinse and dry hands after use

Reference - 786706

People with sensitive or damaged skin should avoid prolonged contact with the product  
Do not ingest. If product is ingested then seek medical advice

**PSG Recommended Phrases:**

N/A
