4. First Aid Measures

Measures in the event of

Ingestion

– Inadvertent ingestion of larger amounts: do not induce vomiting. Rinse out mouth and drink about one glass of water. Where appropriate, consult Poison Control Centre or doctor.

Skin Contact

– No action required

Eye Contact

– Inadvertent contact with eyes: rinse thoroughly with plenty of lukewarm water immediately; if irritation persists, consult an ophthalmologist as a precautionary measure.

Inhalation

– an improbable route of contact.

When consulting a doctor or a Poison Control Centre, always have packaging or label available.

5. Fire Fighting Measures

All common extinguishing agents are suitable.

6. Accidental Release Measures

Filled, unused packages must be disposed of separately in accordance with the waste management directives of the local area.

7. Handling & Storage

Must be used in accordance with manufacturer's instructions. Observe any warnings on packaging.

Store in a cool and dry place (room temperature). Reseal container after use.

Avoid contact with the eyes.

8. Physical & Chemical Properties

Mixture of waxes, oils and fats and appropriate, special active ingredients. Creamy consistency due to high oil portion.

Marks and Spencer PLC, Waterside House, 35 North Wharf Road, London. W2 1NW
